No Bonuses for du Pont Employees Stories that the du Pont company had canceled plans for a Christmas bonus to employees because the women were buying expensive furs in advance in anticipation of the gratuity were denied by the company this morning. It was stated the du Ponts never contemplated a bonus this year and that rumors that a proposed bonus had been canceled were without foundation.

### ASSOCIATES HONOR TILY

Strawbridge & Clothier Heads Felicitate Manager on Long Service

A hundred buyers and executives of the Strawbridge & Clothier store yesterday gave a pleasant surprise to General Manager Herbert J. Tily, taking into their own hands the celebration of the fortieth anniversary of his entering the employ of the firm. The "conspiracy" was carried out while Mr. Tily, who is one of the city's well-known musicians, was conducting the store's Christmas concert on the second floor. In his absence his office had been transformed into a bower of palms and roses, and beside his chair was the old stool on which he had sat waiting the call of "cash" forty years ago—for that was long before the day of pneumatic cash carriers.

When Mr. Tily entered his office he was astonished at the scene and almost overcome when the crowd surged in from an anteroom and showered congratulations upon him. Isaac H. Clothier, now past eighty, sat beside Mr. Tily's desk, joining the members of the firm and the executives in their happy felicitations. Mr. Tily briefly but feelingly referred to his long service and happy associations in the old store, reviewing the marvelous improvements in business methods and systems during the last forty years.

Mr. Tily's career is a notable illustration of the possibilities for advancement open to every boy in America who is eager to take advantage of his opportunities. He rose from cash boy to general manager, the position he has occupied for the last fifteen years, and is now a member of the firm of Strawbridge & Clothier.

### LORD DALMENY GETS DECREE OF DIVORCE

Wins Suit Against Wife, Charging Desertion After Financial Disputes

Edinburgh, Dec. 19.—Albert Edward Primrose, Lord Dalmeny, only surviving son of Lord Rosebery, has obtained a divorce from Dorothy Alice Margaret Augusta Primrose, Lady Dalmeny, daughter of the late Lord George Henry Grosvenor. The divorce was obtained on the ground of desertion. The divorce was granted in the Scot-

ish courts. The trouble which caused the separation is said to have been largely of a financial nature.

Lady Dalmeny was prominent in English society before her marriage. Her grandfather, the first Duke of Westminster, possessed a great fortune. On June 20, 1917, Lord Dalmeny published an advertisement in the London Times that he would not be responsible for his wife's debts. Two weeks later his wife published a statement that Lord Dalmeny had never given her a personal allowance of over \$5000 a year nor more than \$5000 a year for household expenses. She declared she had to use an inheritance of \$10,000 a year for household expenses.

Lord and Lady Dalmeny have been separated since that time. She has been residing with her children at Little Grange, in Oxfordshire.
